

Mi Villa

WHITE

GRAPE VARIETIES

Viura and Verdejo.

ALCOHOL CONTENT

13% vol.

WINEMAKING

The grapes from our vineyards located in San Asensio, Briones and Zarratón (Rioja Alta), arrive at the winery where they are gently pressed. After maceration and gentle cold clarification, the clean must is fermented in temperature-controlled stainless steel tanks.

TASTING NOTES

Bright pale yellow color with greenish notes on the rim.

On the nose the aromas bring back floral notes, mixed with white fruit such as pear and green apple.

Pleasant and fresh on the palate. Perfect balance between structure and acidity.

Long and persistent aftertaste that reminds us of freshness and youth.

SERVING TEMPERATURE AND FOOD PAIRING

Recommended serving temperature 8-10 °C.

Ideal for marinating with seafood, fish, all types of rice dishes, pasta and any type of appetizer.
